

## Unit 2: At the Store

These questions directly test the core Unit 2 objectives: understanding cardinal numbers (21-100) and comprehending basic questions delivered slowly and clearly.

### Activity 1: Match

A customer is buying supplies for a small office.

Match the office items (Column A) with a related word or detail (Column B). You will not use all responses.

| Column A        | Column B       |
|-----------------|----------------|
| 1. Pen          | A) Write       |
| 2. Notebook     | B) Small / Big |
| 3. Paper        | C) Yellow      |
| 4. Sticky Notes | D) Coffee      |
| 5. Office       | E) Black       |
|                 | F) Read        |
|                 | G) One Hundred |
|                 | H) Computer    |

### Activity 2: Multiple Choice (MCQ)

Choose the correct answer: a, b, c, or d.

1. Where does this conversation happen?
