

Unit 5 – Listening EX.2

Hello.

You will hear a person talking about their home, family and daily routine.

My name is Daniel.

I'm thirty-two years old.

I live in a flat close to the city centre.

I live with my parents and my younger brother.

My brother is twenty years old.

He studies at university.

My parents both work.

My father works in an office.

My mother works in a school as a teacher.

Our flat is small, but comfortable.

There are two bedrooms and a living room.

There are shops and cafés near our building.

On weekdays, I wake up at quarter to seven.

I leave home at half past seven.

I usually go to work by car.

I work in an office near the centre.

I start work at nine o'clock.

I finish work at six o'clock.

At lunchtime, I usually eat in a café near my office.

In the evening, I usually stay at home.

I don't go out very often.

At the weekend, my routine is different.

I like weekends more than weekdays.

I relax and spend time with my family.

That's all.
