

Unit 6 EX.3

Listening Script: Likes and Dislikes (A2)

You will hear two classmates talking before their lesson starts.

Lina: Hey Sam, we have a few minutes before class. What do you usually do in your free time?

Sam: Hi Lina. Well, I spend a lot of time on my laptop. I usually read the news and listen to music. How about you?

Lina: I enjoy watching movies and reading books. I also like listening to music.

Sam: What kind of music do you like?

Lina: I like pop and soft rock. I'm not a fan of very loud music. What about you?

Sam: I prefer jazz and classical music. I usually listen to music every evening.

Lina: Do you like animals?

Sam: Yes, I do. I like camels and lions, but I really don't like snakes.

Lina: I like horses, but I don't like big dogs.

Sam: Do you play any musical instruments?

Lina: Yes, I play the piano, but I don't play the guitar.

Sam: I can't play any instruments. I sometimes watch YouTube videos to learn the guitar, but it looks difficult.

Lina: What's your favourite food?

Sam: I prefer seafood. I often eat it at a popular restaurant near the city centre. I usually eat Suchi and fish. What about you?

Lina: I like spicy food and Chinese food. Noodles are my favourite.

Sam: Oh, nice. Anyway, let's go to class.

Lina: OK, let's go.
