

Unit 8 EX.1

Instructions for Students:

Read the conversation carefully. Then answer the True / False questions below.

Conversation

Sara: Hi Alex. What do you usually do on your holidays?

Alex: I usually travel to another city and stay in a comfortable hotel near the beach. I don't like camping or staying in busy places with a lot of traffic.

Sara: How do you travel there?

Alex: I often use the train, but sometimes I travel by plane. I don't like buses because they are slow.

Sara: I usually travel by car with my family. We visit the city centre and walk around, but we don't use public transport.

Alex: Do you like shopping when you are on holiday?

Sara: Yes, I do. I go shopping, buy gifts for my friends, and take a lot of photographs. I don't spend my money on expensive restaurants.

Alex: I like that too. I take photos of buildings and people, but I don't take photos of food.

Sara: Do you go to the beach on holiday?

Alex: Yes, I often go to the beach in the morning and relax there. I don't swim in the evening.

Sara: What do you do in the evening?

Alex: In the evening, I sing songs with my friends or listen to music at the hotel. I don't watch TV.

Sara: That sounds fun. I usually have dinner and play chess with my family, not cards or video games.

Alex: Holidays help us relax and forget about work.
