

Unit09 XE.3

You will hear a conversation between Lily and Sam. Listen carefully and then complete the matching activity. There are more answers than questions, so not all options will be used.

L = Lily S = Sam

L: Hi Sam! Can I ask you some questions about your school life?

S: Sure, Lily.

L: Who was your favourite person in your family when you were a child?

S: Hmm ... I really liked my older sister. She always played with me and helped me with my homework. She was my favourite.

L: And who was your best friend in primary school?

S: I had nice friends like Tom and Mark. My best friend was Alex. We were in the same class, and we played football together every day.

L: Did you have a best friend in high school too?

S: Yes, my best friend in high school was Mia. We studied together and went on trips with our class.

L: Great! What was your favourite subject at school?

S: I liked English, but I liked geography the best.

L: Did you have a favourite teacher?

S: Yes, my English teacher, Mrs. Green. She was very kind and always explained things clearly. I also liked Mr. Brown but not like Mrs.Green.

L: That's nice! Did you enjoy sport at school?

S: Not really ... I liked running a little, but my favourite hobby was painting. I loved drawing and painting in my free time.
