

## Cutting Edge, starter level, unit 9

### Objective:

Can understand basic factual statements

### **Listening Transcript: Gemma Arterton**

You will hear a short talk about a famous English actor.

Gemma Arterton is a well-known English actor. She was born in **February 1986** in **Gravesend, England**. Her parents were British, and she grew up in a happy family. Gemma has a sister called **Hannah**, and they were very close when they were children.

When Gemma was young, she loved **watching films**, especially **Disney films**. Her favourite Disney character was **Mickey Mouse**. She enjoyed acting and often imagined being in films. At school, she liked drama and wanted to become an actor in the future.

In the **2000s**, Gemma studied acting in **London**. She was a student at **RADA**, which stands for the Royal Academy of Dramatic Art. This is a famous drama school. She worked very hard and learned many acting skills there.

After she finished her studies at RADA, Gemma started working in **films and TV shows**. In **2008**, she appeared in *Tess*, a classic drama series on British television. Many people noticed her acting after this role.

In **2010**, Gemma became even more famous. She acted in two popular films, *Clash of the Titans* and *Prince of Persia: The Sands of Time*. These films were successful, and she became known around the world.

Today, Gemma Arterton continues to work as an actor. She enjoys her job and is proud of her career in film and television.
