

Unit 11 EX2

My Holiday Trip

Part 1: Listening Script (Monologue)

Character: Maya (Female, speaking in a cheerful, reflective tone)

Context: Maya is back from a holiday and is recording a voice message for her friend, describing her activities.

(Sound of a phone recording 'beep')

Maya: "Hi, Sam! It's Maya. I'm back from my holiday. I had such a great time. I want to tell you all about my trip.

First, I went to the mountains with my family. We stayed in a small, wooden house. **Every morning, we went hiking.** The air was so fresh. One day, we saw a small waterfall. It was beautiful.

In the afternoons, we usually went cycling. We had bicycles, and we rode on quiet roads near a lake. The lake was very blue. **Sometimes, we went swimming** in the lake. The water was cold but nice.

One special day, we went to a local town. In the town, we visited an old castle. **We also went shopping** in the small market. I bought a pretty scarf and some local sweets.

In the evenings, we always cooked dinner together at the house. After dinner, **we played board games** or **watched movies.** It was very relaxing.

On the last day, we didn't go out. We just relaxed at the house, read books, and packed our bags. It was the perfect end to the trip.

I took so many photos. I'll show you when I see you! Talk soon, bye!"
